Snið A02 1:10

This technical drawing illustrates a vertical pipe assembly. At the top, two circular components are labeled with the numbers 8 and 9. A vertical pipe section descends from these, featuring a flange with a central hole labeled 10. This pipe section is connected to a horizontal pipe assembly. The horizontal assembly includes a valve body labeled 11, a handle labeled 12, and a valve seat labeled 13. A small component labeled 14 is also shown. The entire assembly is mounted on a base plate labeled 15. The drawing uses fine lines and cross-hatching to indicate material thickness and assembly details.
