10. The following table gives the number of cases of smallpox reported in each State during the year 1802.

Figure 1. A photograph of a typical sample of the sandstone used in this study.

Fig. 1. Three small circles indicate the positions of the three microphones used in the experiments.

A horizontal row of seven identical, stylized symbols. Each symbol consists of a central vertical stem with a small circular node near the top. At the top of each stem is a symmetrical, hook-like or tree-like flourish that tapers to a point. The symbols are evenly spaced and appear to be made of a dark, textured material.
